GUARANTEE**

on our Workwear Range \*

#### How do I request a Price Match on Workwear?

Simply present proof of the competitor's current advertised price for the identical product.

Once your price match request is verified and the competitor's product is confirmed as being in stock and available for immediate sale we will happily match the price.

#### What are the exclusions?

- Offers which include bonuses, bulk purchase, quantity limits or packages.
- Offers not available to the general public - including trade, special event, club or membership offers.
- Clearance, seconds, and refurbished products.
- Products shipped from or sold by third-party sellers on marketplace, auction or classifieds websites.
- Products supplied through unauthorised distributors (known as 'grey market' items) or delivered directly to customers from an overseas distributor.
- Pricing errors.
- Products with pricing set significantly lower than the recommended retail price or market value.
